EARNED SICK AND SAFE TIME

CITY OF DULUTH NOTICE TO EMPLOYEES EARNED SICK AND SAFE TIME

By law, employers with five or more workers must provide paid time off to all part-time and full-time employees working within the city limits of Duluth.

This paid time off is earned by employees whenever they work in Duluth – for every 50 hours worked, employees earn one hour of paid leave.

Employees can use Earned Sick and Safe Time (ESST) for:

- Caring for themselves or a family member due to a physical or mental health condition or illness.
- Attending a doctor's appointment or seeking preventative care.
- Caring for themselves, a family member, or a roommate for reasons related to domestic violence, sexual assault, or stalking.

Employers cannot retaliate against employees for:

- Asserting their right to ESST/requesting to use ESST
- Filing a complaint with the City of Duluth
- Telling others about their rights

EMPLOYERS MUST PROVIDE ESST. RETALIATION IS ILLEGAL.

If you believe your right to ESST has been violated, you can file a complaint:
